

Date appointed - 18/12/2007

Date of reappointment - 14/12/2019

Appointed by the Archdiocese of Birmingham

Position - Vice Chair of the Full Governing Body, serving on the Standards Committee

I am a Foundation Governor and Vice Chair and have also, in the past, been Chair of Governors at Trinity Catholic School. I am mother of four grown up children, all of whom attended St Augustine's School. I am a qualified teacher with a Masters in Education. Earlier in my career, I lectured in Education at Warwick University, held the post of Head of Heritage Education for Warwickshire and was part of the Olympic/Paralympic education team. I currently work part time as a learning consultant and writer of education materials for primary schools, and combine this with supporting my youngest son who has Muscular Dystrophy. My particular responsibilities on the Governing Body are to be the link governor for the curriculum and to organise the learning walks. It is my privilege and delight to continue to be involved with our wonderful school.
