Appointed by the Archdiocese of Birmingham

Position - serving on the Standards Committee

I am a Foundation Governor and have been involved with St Augustine's School since arriving to be Parish Priest in 1998. Combining my day to day contact with the school and the responsibilities of a Foundation Governor has always been a pleasure as well as a privilege. The Collective Worship Programme - masses, confessions and the preparation for the Sacraments and the sharing of responsibility for the RE Curriculum are the two key areas of my involvement. It is always so gratifying to see the range and variety of school activities and to reflect on the enthusiasm of all those involved in the many aspects of school life. The Parish sees the work of the school as a vital element of our worship, prayer and outreach and we in turn try to support the school by our prayers, promotion of activities and practical support.
