

Date appointed - 17/12/2015

Date of reappointment - 16/12/2019

Appointed by the Archdiocese of Birmingham

Position - serving on the Standards Committee

I have been a Foundation Governor since the end of 2015 and am the Link Governor for SEND. Both of my sons attend the school and are currently in Year 5 and 2. I have been closely involved with St Augustine's since my son started in 2012, first as a Parent Helper then as a member of the PTA. I have been Chair of the PTA for 4 years and retired from the post this summer but I am still involved with the PTA and remain a Parent Helper. I love being able to participate in school life and having the opportunity to help shape and develop our school. In my other life I am a Freelance Research Consultant, having previously worked as Research Manager for an Automotive Consultancy following many years with a big Market Research agency. I am also an office volunteer for Friends of the Holy Land, a local charity.
