Appointed as an elected parent

Position - serving on the Resources Committee

I am a Parent Governor and have two daughters at St Augustine's. My governing responsibilities at the school include membership of the Resources Committee and holding the remit for Governor training.

I've held governance roles before, in businesses and in not-for-profit organisations. I'm always keen to make sure good governance is about creating the right environment for success and at St Augustine's that's about creating a place for the pupils and staff to thrive, be happy and learn together.

I have skills in setting up teams, coaching and development, motivating communities and encouraging the right behaviours for success. My work also includes finance, strategy, commercial skills, procurement, contracts and negotiations.
