

Date appointed - 17/12/2015

Date of reappointment - 16/12/2019

Appointed by the Archdiocese of Birmingham

Position - serving on the Standards Committee

I have been a Foundation Governor since the end of 2015 and am the Link Governor for SEND and Pupil Premium. I have a child in Year 4 and another who has been through St Augustine's and now attends Trinity Catholic School in Leamington. I have been closely involved with St Augustine's since my eldest son started in 2012, first as a Parent Helper then as a member of the PTA. I was Chair of the PTA for 4 years. Today, I remain a Parent Helper and am still involved in the PTA. I love being able to participate in school life and having the opportunity to help shape and develop our school. In my other life I work for Friends of the Holy Land, a local charity, having started there as a volunteer 2 years previously.
