Appointed by the Archdiocese of Birmingham

Position - Chair of the Resources Committee

I have lived in Kenilworth since 1994 and my association with St Augustine's began back in 1996 when our son started in Reception. He was followed in 2000 by our daughter, and I then became a Foundation Governor in 2006. Both children thoroughly enjoyed their time at St Augustine's, and developed their potential within the caring and supportive environment that the school provides for all children.

As Chair of the Resources Committee of the Governing Body, I contribute to the oversight and management of the school's finances and premises, both current expenditure and investment for the future.

In my professional life, I am a Chartered Accountant and work as Finance Director of an employee-owned specialist food manufacturing company in Northamptonshire.
