Above hangs in a classroom in School

At St. Augustine's Catholic Primary School, we welcome everyone into our community where:

We live, love and learn together in the light of the life of Christ.

<http://www.staugustineskenilworth.co.uk/our-school/about-us>
 Please do let a member of the Full Governing Body (FGB) know if you would like any further information on items below.

THE TOP 5 THINGS WE DID:

- 1 We held a Strategy and Planning Session to consider the year's priorities.
- 2 We reviewed our Self-Evaluation and agreed an ambitious 2018/19 School Improvement and Development Plan.
- 3 We undertook a number of visits on specific topics, including a very positive Learning Walk on Behaviour, Mission and Virtues.
- 4 We reviewed financial forecasts with updated staffing and projections to prioritise investment into the School.
- 5 We considered progress of all children in the school and what more can be done to support this.

MERRY CHRISTMAS from your Governing Body: Autumn Term 2018

We wish to communicate with significant gratitude our thanks to the following governors who have stepped down:
 Father Kevin Hooper
 Colin Macdougall
 Alvin Tan

Following the parent election we welcome Emma Widnall to the Governing Body. We will be calling for nominations again in the new year to fill the remaining parent governor vacancy. Information on this and your FGB is available: <http://www.staugustineskenilworth.co.uk/staff-governors/our-governors>

DIOCESAN ACADEMY STRATEGY

The FGB continues to engage with our partners in Catholic schools in the region and the Diocesan Education Service to determine the best approach to take in relation to the Academy Strategy. See: <https://www.bdes.org.uk/academies.html>

School Improvement and Development Plan Priorities 18/19:

1. Further develop and embed the use of Catholic Virtues and Values, acknowledging alignment with British values, as a way to ensure that education involves both the body and the heart.
2. Improve progress in Maths and Writing particularly for the more able and disadvantaged pupils.
3. Embed the planning and teaching of the learning challenge curriculum to meet the needs of our diverse community and ensure creative coverage of the National Curriculum.
4. Develop, monitor and evidence outstanding behaviour, welfare and personal development.
